CELEBRATING OUR SUPPORTERS!

Police Athletic League

Volunteer & Donor Recognition Dinner

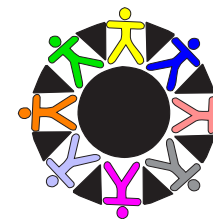

Vineland PAL | Bridgeton PAL | Millville PAL

February 21, 2019 • 6 P.M.

The Cumberland County Positive Youth Development Coalition is the first county-wide juvenile delinquency effort in the state of New Jersey. Started in the city of Vineland in 2009, the Coalition expanded to a county-wide effort in 2013. The Coalition brings together stakeholders from a number of sectors including education, law enforcement, social services, faith-based institutions, and youth serving organizations, in order to reduce juvenile delinquency and prevent those already involved in the juvenile system from becoming involved in the adult criminal justice system. Staffing and technical assistance is provided to the Coalition by the Senator Walter Rand Institute for Public Affairs at Rutgers University – Camden.

Dear PAL Volunteers and Donors:

I am pleased to be able to join you tonight in recognition of our PAL Volunteer and Donors. As Chief Law Enforcement Officer for the County of Cumberland and on behalf of the Police Athletic Leagues in Bridgeton, Millville and Vineland, I would like to thank you not only for your commitment to PAL but also for your commitment to the children of Cumberland County.

We are so very lucky to have the commitment of the chiefs of all three cities (Chief Michael Gaimari, Chief Jody Farabella and Chief Rudolph Beu) to PAL. It is through their leadership and commitment that the PALs remain relevant and vibrant. Notwithstanding, the PALs could not accomplish the amazing work that they do without your commitment to their mission. Your support enables our PALS to help youth have positive interactions with law enforcement, gain positive role models and learn important life skills.

This event is meant to be a small token of our appreciation for all that you do. It is our hope that by highlighting PAL accomplishments, your contributions and the impact they have had on our children, we will all move forward energized and invigorated to make the coming year of PAL milestones as successful as those of the past. Thank you once again for your commitment to Cumberland County kids. Please enjoy the evening.

Respectfully submitted,

Jennifer Webb-McRae
